**Re: Second Technical Corrections Review - Village at Westerly Creek Phase 3 - Site Plan**  
Application Number: **DA-1639-01**  
Case Number: **2009-4001-02**

Dear Ms. Stirdivant:

Thank you for your technical submission, which we received March 22, 2017. We reviewed it and attached our comments along with this cover letter.

Your technical submission has addressed all previous comments, no additional submissions are needed. Once all license agreements and easement releases and dedications are processed you may submit Mylars for their review. Please coordinate with Real Property on these matters and inform your case manager when these processes are complete.

Please allow 2-3 weeks for Mylar Processing. For your convenience and preparation, I have attached a checklist that must be filled out and returned at the time of your Mylar submission.

As always, if you have any comments or concerns, please give me a call or send along an email. I may be reached at 303-739-7249 or [sullman@auroragov.org](mailto:sullman@auroragov.org).

Sincerely,

Sara Ullman  
Planner I
