- 1.** The landscape on the entire site needs to be brought up to standards as shown on the Landscape plan. All missing or dead plants need to be replaced. See Sheets L-1 and L-2 of the site plan for details. (2002-6041-00).

Since there are several outstanding issues, you will need to make another submission. Please e-mail me the revised site plan. As always, if you have any comments or concerns, please give me a call. I may be reached at [pingrum@auroragov.org](mailto:pingrum@auroragov.org) or 303.739.7227
