

DAE BAK GOAL RESTAURANT

2648 S Parker Rd Unit 11 Aurora, CO 80014

Dear Planning and Development Services,

Dae Bak Goal Restaurant is a Korean style BBQ establishment. This restaurant is located at 2648 S Parker Rd Unit 11 in the city of Aurora. It has recently been opened between the partnership of Kyung Song and Nare Yun. I have over 5 years of restaurant experience, while Nare has over 5 years experience running a family style Karaoke Bar. Combined, we bring unique skill sets that will make our venture successful.

Dae Bak Goal restaurant considers itself a primarily an eating establishment, but we also serve alcohol as a service to our patrons. Therefore, the hours of operation are between 4pm-2am. We respect our neighbors therefore we make sure that noise levels are minimal throughout operating hours. There is no live entertainment, loud music, or karaoke in this establishment. Furthermore, customers do not have direct access to the rear alley and front doors are always shut in order to mitigate any noise that may bother the surrounding tenants and neighbors.

Utilizing experienced and trained employees, we are able to run the restaurant efficiently with 5 employees between 2 shifts. All supplies are delivered in the mornings between the hours of 10am-12pm. This ensures that any risks are minimized since the restaurant is closed and deliveries can be handled with care.

I am very excited and optimistic that my new venture will be successful and provide a safe and pleasant establishment for all of my customers. I appreciate your time and look forward to a speedy and favorable answer.

Sincerely,

Kyung Song
