**Re: Technical Submission Review – Peoria U-Storage Mini Warehouse-Site Plan
Amendment**

Application Number: **DA-2117-00**
Case Numbers: **1995-6010-07**

Dear Mr. Peterson,

Thank you for your technical submission, which we started to process on Thursday, August 30, 2018. We reviewed it and attached our comments along with this cover letter. The first section of our review highlights our major comments. The following sections contain more specific comments, including those received from other city departments and community members.

A site plan resubmittal is not required however the drainage letter must be approved by Public Works before Engineering will approve the site plan. Continue working with Engineering directly to complete the review for drainage. See the second page of this letter for details.

As always, if you have any comments or concerns, please give me a call or send along an email. I may be reached at 303-739-7266 or bparadie@auroragov.org.

Sincerely,

Brenden Paradies, Planner I
City of Aurora Planning Department
