**Re: Second Submission Review:** Colorado Bioscience Park Aurora– Site Plan Minor Amendment  
**Case Number:** 1998-6033-05

Thank you for your second submission, which we started to process on October 12, 2017. We reviewed your submittal and our comments are attached along with this cover letter. The first section of our review highlights our major comments. The following sections contain more specific comments, including those received from other city departments.

Since minor issues still remain, you will need to make another submission. Please revise your previous work and send us a new submission on or before Tuesday, November 10, 2017.

Note that all our comments are numbered. When you resubmit, include a cover letter specifically responding to each item. The Planning Department reserves the right to reject any resubmissions that fail to address these items. If you have made any other changes to your documents other than those requested, be sure to specifically list them in your letter.

As always, if you have any comments or concerns, please give me a call. I may be reached at 303-739-7266.

Sincerely,

Brenden Paradies, Planner I
