**Re: PLANNING COMMISSION HEARING RESULTS:**  
**DVR – R&L Denver Service Center Addition – Conditional Use and Site Plan Amendment**  
Application Number: DA-1342-03

Dear Mr. Eccard:

Congratulations! The planning commission portion of your application was approved by the Aurora Planning Commission at a public hearing on November 14, 2018. The table below shows the results of the Planning Commission's action.

Case Number	Planning Commission Action	City Council Review Required?	Planning Commission Conditions
2005-6031-02	Site Plan Amendment: Approved with Condition	No, unless appealed or called up	1. Resolution of outstanding technical issues prior to recordation of site plan and issuance of any building permits.
2005-6031-03	Conditional Use for Motor Freight in M-1 Zone District: Approved	No, unless appealed or called up	None

Please be aware that your Planning Commission approval may be appealed by an abutting property owner, or called up for a second review by a majority vote of the City Council. Abutters have ten days to file an appeal, and the Council has two meetings following your Planning Commission's decision to vote for a call up. In either event, I'll let you know if a City Council hearing is required for the site plan. An additional submission of the site plan is required to resolve all technical issues.
