 3. Revise and submit 6. As requested 9. For your information 12. For signature

Notes:

We have adjusted the following items on the resubmitted exhibits:

1. Crosswalk: Added.
2. Relocated edge of fire lane (parking): Have adjusted.
3. Added fire lane signage: Have added additional sign by accessible parking. We have not shown adding signage along the east side.
4. Extend fire lane across entrance: Per email from William Polk (October 17), we understand the request to modify the east side of the proposed fire Lane will not be required.
5. Provide detail for wall: The original reference was noted incorrectly. We have corrected the note to reference the top of the foundation (TOF) which is pertaining to the scale.
