**Case Number: 2017-4002-01**

Dear Mr. Martinez:

Thank you for your second submission, which we started to process on Thursday, May 23, 2019. We reviewed it and attached our comments along with this cover letter.

One issue remains that must be coordinated with your Case Manager. Please address this comment and resubmit the entire plan set. Once this occurs, staff can approve the Minor Amendment application.

As always, if you have any comments or concerns, please give me a call. I may be reached at 303-739-7857.

Sincerely,

Sarah Wieder, Senior Planner

1A. Please update the note on Sheet 16 based on the response letter you provided with this submittal. You state that “the fence is not attached to the top of the porous landscape detention wall,” but the note still states that it’s mounted to the wall.
