REMARKS:

Stephen,
Per my earlier email, there doesn't seem to be an option for me to upload the revised drawings for the CTDI Fence. The license agreement has been signed by the owner and returned to the City and the fees have been paid. We added the fence and gate to the legend on each page and added a detail sheet for the fence details. Please let us know if you need anything else and/or when the contractor can pick up the permit.

Thanks,
Jan
