Re: Administrative Results – Highpointe Lift Station Capacity Improvements Project – CSP
Application Number: **DA-1746-16**
Case Number: **2016-6043-00**

Dear Mr. Hartfelder:

Congratulations! The Planning Director, George Adams, administratively approved your application for Case Number 2016-6043-00 on March 1, 2017.

A copy of the Director's decision has been sent to you under separate cover. Please note that this administrative approval may be appealed by an abutting property owner, or called up for further review by a majority vote of the City Council.

Since a few minor issues still remain with your Contextual Site Plan, you will need to have a technical corrections review. The technical corrections submission has been received and will be referred out to reviewers tomorrow. After all technical issues have been resolved, you may submit your final mylars for recording.

As always, if you have any comments or concerns, please give me a call. I may be reached at 303-739-7857.

Sincerely,

Sarah Wieder, Planner II
