Case Number: 2018-6057-00

Dear Mr. Patel:

Thank you for your technical corrections submission, which we received on January 16, 2020. We reviewed it and attached our comments along with this cover letter.

Because there are some outstanding issues remaining, another technical corrections submission will be required.

Note that all our comments are numbered. When you resubmit, include a cover letter specifically responding to each item. The Planning Department reserves the right to reject any resubmissions that fail to address these items. If you have made any other changes to your documents other than those requested, be sure to also specifically list them in your letter.

As always, if you have any comments or concerns, please give me a call. You may reach me at 303-739-7251.

Sincerely,
