RE: Fire Hydrant Relocation
Introduction Letter

Christopher Johnson:

RK Mechanical, Inc. DBA RK Service is contracted through AARCO Wireless to relocate a Fire Hydrant at the property address of 16650 E Alameda Pkwy in Aurora, CO 80017. The relocation of the Fire Hydrant is to ensure proper spacing between it and a new cellular tower that will be installed at a future date. The relocation of the Fire Hydrant is shown on the Site Plan in red. This is attached to the email this letter is also attached to. Utilities will not be touched as they are not in the way of the relocate. This has been approved through the Aurora Water department through extension 19-056W.

Should you have any questions, please feel free to reach out.

Sincerely,

RK
